ADDITIONAL TERMS OF THE NOTE

APPLICABLE LAW - The law of the State of Florida shall govern this agreement. Any term of this agreement which is contrary to applicable law will not be effective, unless the law permits me to agree to such a variation. If any provision of this agreement is held to be unenforceable under applicable law, the unenforceability of this provision shall not affect the enforceability of the remainder of this agreement. No modification of this agreement shall be made without your express written consent. Time is of the essence of this agreement.

PAYMENTS - Each payment I make on this note shall reduce the amount I owe you for charges which are not covered by principal. The remainder of each payment will then reduce accrued interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of the loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST - If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal sum outstanding at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to in this note (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

NOXIOUS RULES - This note is given only as a device for setting the interest rate on this note. It does not constitute a security interest in any property, and the interest rate on this note will be the same rate you charge on any other loans or charges of any kind to me or other borrowers.

POST MATURITY RULE - For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on this note, whichever is earlier.

SINGLE ADVANCE LOANS - If this is a single advance loan, you and I expect that you will make one advance of principal. However, you may add other amounts to the advance if you make any payments described in the "PAYMENTS BY BORROWER" paragraph below.

MULTIPLE ADVANCE LOANS - If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed credit, repayment of part of the principal will not entitle me to additional credit.

SET-OFF - I agree that you may set off any amount due and payable under this note against any right I have to receive money from:

- (1) Right to receive money from you; means:
- (2) Any deposit account balance I have with you;
- (3) Any money owed to me on an item purchased from you;
- (4) Any right to receive money from you on a contract or agreement;
- (5) Any right to receive money from you on a contract or agreement;
- (6) Any right to receive money from you on a contract or agreement;

Any amount due and payable under this note shall be paid to me in full at the time you set off. This total includes any balance due on this note at the time you set off. I agree that you may set off any amount due and payable under this note against any right I have to receive money from:

ADDITIONAL TERMS OF THE SECURITY AGREEMENT

GENERALLY - This agreement secures this note and any other debt I have with you, now or later. However, I will not secure other debts if you fail with respect to such other debts, to make any required disclosure about this security agreement or if you fail to give any required notice of the right of rescission. If property described in this agreement is located in another state, this agreement may also, in some circumstances, be governed by the law of the state in which the Property is located.

OWNERSHIP AND DUTIES TOWARD PROPERTY - I represent that I own all of the Property, or to the extent this is a purchase money security interest I will acquire ownership of the Property with the proceeds of the loan. I will defend it against any other claim. Your claim to the Property is ahead of the claims of any other creditor. I agree to do whatever you require to protect your security interest and to keep your claim in the Property ahead of the claims of other creditors. I will not do anything to harm your position.

I will keep books, records and accounts about the Property and my business in general. I will let you examine these records at any reasonable time. I will prepare any report or accounting you request, which deals with the Property.

I will keep the Property in my possession and will keep it in good repair and use it only for the purpose(s) described on page 1 of this agreement. I will not change this agreed use without your express written permission. I represent that I am the original owner of the Property and, if I am not, that I have provided you with a list of prior owners of the Property.

I will keep the Property at my address listed on page 1 of this agreement, unless we agree I may keep it at another location. If the Property is to be used in another state, I will give you a list of those states. I will not try to sell the Property unless it is inventory or I receive your written permission to do so. If I sell the Property I will have the payment made payable to the order of you and me.

You may demand immediate payment of the debt(s) if the debtor is not a natural person and without your prior written consent: (1) a beneficial interest in the debtor is sold or transferred; or (2) there is a change in either the identity or number of members of a partnership; or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation.

I will pay all taxes and charges on the Property as they become due. You have the right of reasonable access in order to inspect the Property. I will immediately inform you of any loss or damage to the Property.

If I fail to perform any of my duties under this security agreement, or if I mortgage, deed of trust, lien or other security interest, you may without notice to me perform the duties or causes them to be performed. Your right to perform for me shall not create an obligation to perform and your failure to perform will not preclude you from exercising any of your other rights under the loan or this security agreement.

PURCHASE MONEY SECURITY INTEREST - For the sole purpose of determining the extent of a purchase money security interest arising under this security agreement, (a) the proceeds of the loan shall be deemed to be the purchase money for the Property, and (b) payments on the Purchase Money Loan will be deemed to apply first to the nonpurchase money portion of the loan. If any, and then to the purchase money obligations in the order in which the terms of payment were specified or if specified at the same time, then in the order in which the terms of payment were specified.

PAYMENTS BY LENDER - You are authorized to pay, on my behalf, charges I am or may become obligated to pay to preserve or protect the secured property (such as property insurance premiums). You may also use these payments to subordinate and add them to the secured property. The rate of interest charged by the agreement or you may demand immediate payment of the amount advanced.

INSURANCE - I agree to buy insurance on the Property and to name you as beneficiary for the amounts you require and to furnish you with proof of coverage. I will have the insurance company name you as loss payee on any such policy.

I hold you harmless from any such claims arising as a result of your addition of your right to set-off.

DEFAULT - I will be in default on this loan and any agreement securing this loan if any one or more of the following occurs:

- (1) I fail to perform any obligation which I have undertaken in this note or any agreement securing this note; or
- (2) you, in good faith, believe that the prospect of payment or the prospect of my performance of any other obligations under this note or any agreement securing this note is impaired.

REMEDIES - If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of my debt under this note (principal, accrued unpaid interest and other accrued unpaid charges);
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the SET-OFF paragraph;
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy;
- (4) You may refuse to make advances to me or allow purchases on credit by me;
- (5) You may use any remedy you have under state or federal law;
- (6) You may make use of any remedy given to you in any agreement securing this note;
- (7) By selecting any one or more of these remedies you do not give up your right to use later any other remedy. By waiving your right to declare an event of default, you do not waive your right to consider later the event a default if it nonetheless or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES - I agree to pay all costs of collection, expense or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as provided by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER - I give up my rights to require you to do certain things. I will not require you to:

- (1) demand payment of amounts due (presentment);
- (2) obtain official certification of nonpayment (protest);
- (3) give notice that amounts due have not been paid (notice of dishonor);
- (4) give notice of intent to accelerate; or
- (5) give notice of acceleration.

OBLIGATIONS INDEPENDENT - I understand that I must pay this note even if someone else has also agreed to pay it. By, for example, signing this form or a separate guarantee or endorsement, you may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. Of course, you are entitled to only one payment in full. I agree that your right of your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval.

CREDIT INFORMATION - I agree and authorize you to obtain credit information about me from time to time (for example, by requesting a credit report) and to report to others your credit experience with me (such as a credit rating agency). I agree to provide you upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

If you may add security if you agree that insurance proceeds may be used to replace the Property. I will buy insurance from a firm licensed to do business in the state where you are located. The firm will be reasonably acceptable to you. Neither Bank nor its agents shall be liable for any acts or omissions or for any error of judgment or mistake of fact or law in its capacity as such attorney-in-fact. This power of attorney is coupled with an interest and shall be irrevocable so long as any Obligations shall remain outstanding.

- 7.3. Setoff. Bank shall have a security interest in and shall have the right to set off, without notice to Borrower, any and all deposits or other sums at any time or times credited by or due from Bank to Borrower, whether in a special account or other account or represented by a certificate of deposit (whether or not matured) which deposits and other sums shall at all times constitute additional security for the Obligations and may be set off against all or any part of the Obligations at any time if Borrower is primary obligor with respect to such Obligations, or, at or after the maturity of Obligations, if Borrower is secondary obligor.
- 7.4. UCC Remedies. Bank shall have, in addition to any other rights and remedies contained in this Agreement and any other agreements, guaranties, notes, instruments and documents heretofore, now or at any time or times hereafter executed by Borrower and delivered to Bank, all of the rights and remedies of a secured party under the Uniform Commercial Code in force in the State of Kansas, as of the date of this agreement, all of which rights and remedies shall be cumulative, and nonexclusive, to the extent permitted by law.

Any notice required to be given by Bank of a sale or other disposition or other intended action by Bank with respect to any of the Collateral, or otherwise, made in accordance with the terms of this Agreement at least five (5) days prior to such proposed action, shall constitute fair and reasonable notice to Borrower of any such action. In the event any of the Collateral is used in conjunction with any real estate, the sale of the Collateral in conjunction with and as one parcel with any such real estate of Borrower, shall be deemed to be a commercially reasonable manner of sale. The net proceeds realized by Bank upon any such sale or other disposition, after deduction of the expenses of retaking, holding, preparing for sale, selling or the like and reasonable attorneys' fees and any other expenses incurred by Bank, shall be applied toward satisfaction of the Obligations hereunder. Bank shall account to Borrower for any surplus realized upon such sale or other disposition and Borrower shall remain liable for any deficiency. PRIVACY ACT OF 1974 (PL 93-579) requires that users of this form be informed of the authority which allows the solicitation of the information and whether disclosure of such information is mandatory or voluntary, the principal purpose for which the information is intended to be used, the routine uses which may be made of the information gathered, and the effects, if any, of not providing all or any part of the requested information.

The Federal Aviation Act of 1954 requires the registration of each United States civil aircraft as a prerequisite to its operation. An aircraft is eligible for registration only (1) if it is not registered under the laws of any foreign country, and (2) if it is owned by (a) a citizen of the United States, or (b) an individual citizen of a foreign country who has lawfully been admitted for permanent residence in the United States; or (c) a corporation lawfully organized and doing business under the laws of the United States or any State thereof so long as such aircraft is based and primarily used in the United States, or (d) a governmental unit. Operation of an aircraft that is not registered may subject the operator to a civil penalty.

This form identifies the aircraft to be registered, and provides the name and permanent address for mailing the registration certificate. Incomplete submission will prevent or delay issuance of your registration certificate.

The following routine uses are made of the information gathered:

- (1) To determine that aircraft are registered in accordance with the provisions of the Federal Aviation Act of 1954.
- (2) To support investigative efforts of investigation and law enforcement agencies of Federal, State and foreign governments.
- (3) To serve as a repository of legal documents used by individuals and title search companies to determine the legal ownership of an aircraft.

Over

Provided, however, that if the debtor, his heirs, administrators, successors, or assigns shall pay said note and the interest thereon in accordance with the terms thereof and shall keep and perform all and singular the terms, covenants, and agreements in this security agreement, then this security agreement shall be null and void.

Time is of the essence of this security agreement. It is hereby agreed that, if default be made in the payment of any part of the principal or interest of the promissory note secured hereby at the time and in the manner therein specified, or if any breach be made of any obligation or promise of the debtor herein contained or secured hereby, or if any or all of the property covered hereby be hereafter sold, leased, transferred, mortgaged, or otherwise encumbered without the written consent of the secured party first had and obtained, or in the event of the seizure of the aircraft under execution or other legal process, or if for any other reason the secured party may deem himself insecure, then the whole principal sum unpaid upon said promissory note, with the interest accrued thereon, or advanced under the terms of this security agreement, or secured thereby, and the interest thereon, shall immediately become due and payable at the option of the secured party.

Upon default, secured party may at once proceed to foreclose this mortgage in any manner provided by law, or he may at his option, and he is hereby empowered so to do, with or without foreclosure action, enter upon the premises where the said aircraft may be and take possession thereof; and remove and sell and dispose of the same at public or private sale, and from the proceeds of such sale retain all costs and charges incurred by him in the taking or sale of said aircraft, including any reasonable attorney's fees incurred; also all sums due him on said promissory note, under any provisions thereof, or advanced under the terms of this security agreement, and interest thereon, or due or owing to the said secured party, under any provisions of this security agreement, or secured hereby, with the interest thereon, and any surplus of such proceeds remaining shall be paid to the debtor, or whoever may be lawfully entitled to receive the same. 9. Customer will obtain at its own expense and keep in force, so long as any Indebtedness is owing hereunder, such insurance on the Aircraft and such other insurance as Commercial Credit may require, written by a company or companies, and insuring against such hazards and in such amounts and in form as are acceptable to Commercial Credit, and such policy or policies with premium receipts therefor shall be delivered to Commercial Credit, and the policy or policies shall, by endorsement acceptable to Commercial Credit, provide that losses thereunder shall be first payable to Commercial Credit as its interest may appear, and Customer hereby assigns to Commercial Credit the proceeds of all such insurance (including any refund or premium) to the extent of the indebtedness secured hereby, directs the insurer to make payments of any losses or refunds directly to Commercial Credit, and appoints Commercial Credit as Attorney-in-Fact to endorse any draft, check or other form of payment made by the insurer.

10. If Customer fails to keep Aircraft free and clear of all encumbrances, liens and charges, except as herein provided, or to pay tax or public charges thereon, or to keep the same in good order or repair, or fully insured as herein required, then Commercial Credit, at its discretion, may discharge such encumbrances, liens or charges, or pay such taxes or other public charges, or procure and maintain such insurance or make such repairs as it may deem advisable. All sums of money thus expended, and all other monies paid by Commercial Credit to protect its interest in the Aircraft shall be repayable by Customer to Commercial Credit on demand, and if not so repaid, shall be added to the Indebtedness, bear interest, and be secured in like manner as the Indebtedness.

11. No transfer, renewal, extension or assignment of this Agreement or any interest thereunder, or loss, damage, injury or destruction of Aircraft shall release Customer from its obligations hereunder.

12. All payments or other monies owing hereunder shall be paid by Customer to Commercial Credit or Commercial Credit's Assignee without recoupment, set-off or counterclaim, either at law or in equity.

13. Customer will at all times be liable, to and indemnify and save harmless Commercial Credit from and against any and all claims and liabilities on account of death, bodily injury or property damage occasioned by the use or ownership of Aircraft.

- Default in the payment of or compliance with any term, condition, obligation, covenant or liability contained or referred to herein, or any Note evidencing the same;
- Any warranty, representation or statement made or furnished to Commercial Credit by or on behalf of Customer proves to have been false in any material respect when made or furnished;
- The appointment of a receiver for Customer, or if Customer makes an assignment for benefit of creditors, or, in the event that proceedings under the Bankruptcy Act or any amendment thereof be instituted by or against Customer;
- Loss, theft, damage, destruction, sale or encumbrance to or of Aircraft or the making of any levy, seizure or attachment thereof or thereon;
- Any insurance company cancels, as to Customer, any policy of insurance against any of the hazards required to be insured against;
- Death, dissolution, termination of existence, insolvency, business failure of Customer;
- If Commercial Credit at any time should have reasonable cause to deem itself insecure.

In the event of default, at the option of Commercial Credit the full amount of the Indebtedness then unpaid hereunder and all other Indebtedness secured hereby shall become immediately due and payable without notice, and Commercial Credit or its agent or any sheriff or other officer of the law may:

- Collect the same by suit or otherwise.
- Retake possession of Aircraft with or without process of law, and for this purpose may enter any premises in a lawful manner where Aircraft may be found and remove same, upon request by Commercial Credit. Customer will make the Aircraft available at a reasonably convenient location designated by Commercial Credit and sell Aircraft either at public or private sale, after giving notice of the time and place of any public sale or of the time after which any private sale or any other intended disposition thereof is to be made, and at any such public sale the Seller may purchase Aircraft. Such sale may be conducted with or without having Aircraft at place of sale. The requirements of reasonable notice shall be met if such notice is mailed, postage prepaid, to the address of the Customer shown at the beginning of this contract, sale. The requirements of reasonable notice shall be met if such notice is mailed, postage prepaid, to the address of the Customer shown at the beginning of this contract, at least five (5) days before the time of sale or disposition. Commercial Credit may apply the proceeds of said sale, after first deducting all reasonable expenses and charges of obtaining possession of Aircraft, or reconditioning the same and of said sale, including reasonable attorney's fees, to the amount unpaid hereunder, and any surplus shall be paid to, and any deficiency shall be paid by the Customer including any reasonable attorney's fees and court costs incurred in the recovery of such deficiency. While repossessing Aircraft, or removing it from a place of repossession to a place of storage and/or sale, Commercial Credit may, if permitted by law, use any of Customer's licenses in respect to Aircraft.

17. Any delay on the part of Commercial Credit in exercising any power, privilege or right hereunder or under any other instrument executed by Customer to Commercial Credit in connection herewith shall not operate as a waiver thereof and no single or partial exercise of any power, privilege or right shall preclude other or further exercise thereof, or the exercise of any other power, privilege or right. The waiver by Commercial Credit of any default by Customer shall not constitute a waiver of any subsequent defaults, but shall be restricted to the default so waived. If any part of this Agreement shall be contrary to any law which Commercial Credit might seek to apply or enforce or should otherwise be defective, the other provisions of this Agreement shall not be affected thereby, but shall continue in full force and effect. All rights, remedies and powers of Commercial Credit hereunder are irrevocable and cumulative, and not alternative or exclusive, and shall be in addition to all rights, remedies and powers given hereunder or in or by any other instruments or any laws now existing or hereafter enacted.

18. Customer shall pay all out-of-pocket expenses and all costs of any nature whatsoever incurred by Commercial Credit in connection with the making of this loan including, but not limited to, all filing fees and recording costs, stamp taxes and attorney's fees actually incurred.

19. Customer, including any guarantor hereunder, hereby waives presentment, demand, protest, notice of protest, and non-payment or dishonor, notice of the sale of any collateral security and all benefit of valuation, appraisalment, and all exemption laws now in force or hereafter passed, including stay of execution and condemnation.

20. This Agreement shall apply and inure to the benefit of and bind the successors and assigns of Customer and Commercial Credit, and the terms "Customer" and "Commercial Credit" include and mean, respectively, the successors and assigns of Customer and Commercial Credit.

IN WITNESS WHEREOF, Customer has caused this Agreement to be duly executed on the day and year first above written.

Second: The prompt and faithful discharge and performance of each agreement of the mortgagor herein contained made with or for the benefit of the mortgagee in connection with the indebtedness to secure which this instrument is executed, and the repayment of any sums expended or advanced by the mortgagee for the maintenance, preservation, or protection of the property mortgaged hereby or in enforcing his rights hereunder.

Said mortgagor hereby declares and hereby warrants to the said mortgagee that he is the absolute owner of the legal and beneficial title to the said aircraft and in possession thereof, and that the same is free and clear of all liens, encumbrances, and adverse claims whatsoever, mortgagor further specifically covenants, warrants and agrees as follows:

- Said aircraft will be based and hangared at the _____ and will not be removed from said location for a period exceeding 10 days without the prior written consent of the mortgagee.
- While any of the indebtedness secured hereby remains unpaid, mortgagor will pay, at least ten days before they become delinquent, all taxes, assessments and governmental charges levied or assessed against the aircraft or any part thereof; and will keep the aircraft, including all additions thereto and all repairs or replacements thereof, insured, against loss or damage by fire, crash, or other hazards casualties, and contingencies and, specifically, but not by way of limitation, will carry all such risk, ground, taxi, and flight aircraft hull insurance, with a loss payable and breach of warranty endorsement, and such liability insurance in such amount and for such periods as may from time to time be required by mortgagee, and not less than five days prior to the expiration of any policy of insurance mortgagor will deliver to mortgagee renewals or new policies in like amounts covering the same risks. All insurance shall be carried in insurance companies approved by mortgagee and the policies shall include a provision making loss payable to the mortgagee as its interest may appear. All policies of insurance shall be delivered to and held by mortgagee, and mortgagor will pay promptly when due all premiums for such insurance. Should any loss occur to said aircraft, the mortgagee is hereby appointed attorney-in-fact for the mortgagor to make proof of loss, and to receipt for any sums collected under said policies which said sums, or any part thereof, at the option of the mortgagee may be applied as payment on the debts hereby secured, or to the restoration and repair of the property so destroyed or damaged. Mortgagor promptly will give notice by mail to mortgagee of any loss or damage to the mortgaged property and will not adjust or settle such loss without the written consent of mortgagee. In the event of foreclosure of this chattel mortgage by court action or under power of sale, all right, title and interest of mortgagor in and to any insurance policy then in force shall pass to the purchaser at the foreclosure sale and mortgagee is hereby appointed attorney-in-fact for the mortgagor to assign and transfer said policies. Should mortgagor fail to pay any tax assessment or governmental charge as herein required, or fail to furnish mortgagee with policies of insurance satisfactory to mortgagee, as herein required, it is specifically understood that, upon demand, at its option, but without being obligated to do so, itself pay such taxes, assessments and charges, or purchase and pay for such insurance as herein required, and any amounts so expended by mortgagee for taxes, assessments, charges or insurance shall be treated as sums expended or advanced for the maintenance, preservation or protection of the aircraft and secured by this mortgagee, and added to the balance owing on the indebtedness secured hereby, and shall bear interest at the rate of 10% per annum.
- This mortgage shall also secure the payment of all other indebtedness now owing by mortgagor to mortgagee, any and all indebtedness hereinafter to become due from mortgagor to mortgagee, its successors and assigns whether secured by note, or otherwise.
- This mortgage is given on a civil aircraft of the United States which is warranted to have a current air worthiness certificate and to be in flyable condition, and which may from time to time be moved from place to place in the United States, and it is therefore agreed that the laws of the State of Texas with respect to the rights of mortgagee hereunder, including the right of mortgagee to foreclose this mortgage in the courts or to take possession of the mortgaged property and sell same as herein provided shall govern and control.
- The aircraft will be used at all times in accordance with the laws, rules, regulations and ordinances of the United States, the several states and municipalities thereof, and any other governmental bodies which might have jurisdiction over the aircraft. The aircraft will be used only for the purposes and in the manner set forth in the application for insurance and will be operated at all times by a currently certificated pilot having the minimum total pilot hours required by such insurance. The aircraft will at all times be maintained in an air worthy condition necessary for aircraft licenses under the laws, ordinances, rules and regulations of the United States and any governmental body having jurisdiction or control over the aircraft. Mortgagor will not use or permit the aircraft to be used contrary to any laws relating to intoxicating liquors, narcotics, or similar products and will conform with all laws governing the aircraft.

6. To exhibit said aircraft to mortgagee upon demand and to keep the said aircraft in as good condition and repair as it now is, ordinary wear and tear excepted, and to house the same in suitable shelter.

7. That any notice may be served upon the mortgagor by depositing the same in the United States mail, postage prepaid, directed to mortgagor at his address set forth herein.

8. That the taking of any action by the mortgagee shall not be deemed to be an election of that action, but rather the rights and privileges and options granted to the mortgagee under the terms of this mortgage shall be deemed cumulative, the one with the other, and not alternative.

PROVIDED, HOWEVER, that if the mortgagor, his heirs, administrators, successors or assigns, shall pay said note and the interest thereon in accordance with the terms thereof, and shall keep and perform all and singular the terms, covenants, and agreements in this mortgage, then this mortgage shall be null and void.

Time of the essence of this mortgage. It is hereby agreed that if default be made in the payment of any part of the principal or interest of the promissory note secured hereby, at the time and in the manner therein specified, or if any breach be made of any obligation or promise of the mortgagor herein contained or secured hereby, or if any or all of the property covered hereby be hereafter sold, leased, transferred, mortgaged, or otherwise encumbered without the written consent of the mortgagee first had and obtained, or in the event of the seizure of the aircraft under execution or other legal process, or if for any other reason the mortgagee may deem himself insecure, then the whole principal sum unpaid upon said promissory note, with the interest accrued thereon, or advanced under the terms of this mortgage, or secured thereby, and the interest thereon, shall immediately become due and payable at the option of the mortgagee.

Upon default, mortgagee may at once proceed to foreclose this mortgage in any manner provided by law, or he may at his option, and he is hereby empowered so to do, with or without a foreclosure action, enter upon the premises where the said aircraft may be and take possession thereof; and remove and sell and dispose of the same at public or private sale, and from the proceeds of such sale retain all costs and charges incurred by him in the taking or sale of said aircraft, including any reasonable attorney's fees incurred; also all sums due him on said promissory note, under any provisions thereof, or advanced under the terms of this mortgage, and interest thereon, or due or owing to the said mortgagee, under any provisions of this mortgage, or secured hereby, with the interest thereon, and any surplus of such proceeds remaining shall be paid to the mortgagor or whoever may be lawfully entitled to receive the same. If a deficiency occurs, the mortgagor agrees to pay such deficiency forthwith.

Said mortgagee or his agent may bid and purchase at any sale made under this mortgage or herein authorized, or at any sale made upon foreclosure of this mortgage.

IN WITNESS WHEREOF, the mortgagor has hereunto set

Borrower hereby warrants and agrees that:

1. The Collateral is being acquired for the following primary use: ☐ personal, or family use, ☐ business use, or ☐ farming operations.
2. The Collateral ☐ will ☐ will not be acquired with the proceeds of the loan provided for in this Agreement. (In the event the Collateral will be acquired with the proceeds of the loan, the Bank may disburse such proceeds to the seller of the Collateral.)

11. Borrower will pay promptly when due all taxes and assessments upon the Collateral or for its use or operation.
12. The occurrence of any one of the following events shall constitute default under this Security Agreement: (a) nonpayment when due of any installment of the indebtedness hereby secured or failure to perform any agreement contained herein; (b) any statement, representation, or warranty at any time furnished by the Bank is untrue in any material respect as of the date made; (c) Borrower becomes insolvent or unable to pay debts as they mature; (d) entry of judgment against the Borrower is instituted by or against the Borrower alleging that such Borrower is insolvent or unable to pay debts as they mature; (e) loss, theft, substantial damage, destruction, sale or encumbrance to or of all or any portion of the Collateral, or the making of any levy, seizure or attachment to or of the Collateral; (f) death of the Borrower who is a natural person or of any partner of the Borrower which is a partnership; (g) dissolution, merger or consolidation of the Borrower; or (h) the Bank deems itself insecure for any other reason whatsoever. When an event of default shall be existing, the note or notes and any other liabilities may at the option of the Bank and without notice or demand be declared and become immediately due and payable and the Bank may exercise from time to time any rights and remedies of a secured party under the Uniform Commercial Code or other applicable law. Borrower agrees in the event of default to make the Collateral available to the Bank at a place acceptable to the Bank which is convenient to the Bank. If any notification or disposition of all or any portion of the Collateral is required by law, such notification shall be deemed reasonable and properly given if mailed at least ten (10) days prior to such disposition, postage prepaid to the Borrower at its latest address appearing on the records of the Bank. Expenses of retaking, holding, repairing, preparing for sale and selling, shall include the Bank's reasonable attorneys' fees and expenses. Any proceeds of the disposition of the Collateral will be applied by the Bank to the payment of expenses of retaking, holding, repairing, preparing for sale and selling the Collateral, including reasonable attorneys' fees and legal expenses and any balance of such proceeds will be applied by the Bank to the payment of the indebtedness then owing the Bank.
No delay on the part of the Bank in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Bank of any right or remedy shall preclude either or further exercise thereof or the exercise of any other right or remedy. If more than one party shall execute this Agreement, the term "Borrower" shall mean all parties signing this Agreement and each of them, and such parties shall be jointly and severally obligated hereunder. The neuter pronoun, when used herein, shall include the masculine and the feminine and also the plural. If this Agreement is not dated when executed by the Borrower, the Bank is authorized, without notice to the Borrower, to date this Agreement.

This Agreement has been delivered at Gary, Indiana, and shall be construed in accordance with the laws of the State of Indiana. Wherever possible each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

This Agreement shall be binding upon the heirs, administrators and executors of the Borrower and the rights and privileges of the Bank hereunder shall inure to the benefit of its successors and assigns.
